ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received electronically at the Board of Patent Appeals and Interferences on June 8, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

On May 17, 2007, An Order Returning Undocketed Appeal was mailed and the application was returned to the Examiner. A review of the file reveals that the examiner has still not considered the Information Disclosure Statement (IDS) filed on April 10, 2006. According to MPEP § 609 which states:

“ . . . The Examiner must also fill in his or her name and the date the information was considered in blocks at the bottom of the PTO-1449 or PTO/SB/08A and 08B form.”

Accordingly, it is

**ORDERED** that the application is returned to the Examiner for consideration of the IDS, written notification to the applicant of such consideration and for further action as may be appropriate.
